

Cancellation Policy

Dear Patient,

Since serving your needs and catering to your convenience is of the highest priority to us, we do our best and work very hard to stay on schedule so as to minimize your waiting time in our office. However, accommodating every patient's individual needs and work schedules can be challenging at times.

A scheduled appointment is a commitment of time between the doctor and the patient. We reserve that time **JUST FOR YOU**. When appointments are missed or canceled, that time is lost.

Please take a moment to review our cancellation policy:

In the event that a patient is unable to keep his/her appointment, we kindly request that he/she must give at least **48 hours' notice (2 business days)** for any change of appointment.

If a patient does not provide advance notice, he/she will be responsible for the late cancellation fee amounting to \$200.00 that will be charged to his/her account.

If you have any questions regarding this or any of our policies or procedures, as always, we are more than happy to discuss them with you.

Thank you for your understanding and cooperation.
